

Ancient & Accepted Scottish Rite Taipei Bodies News

Fall Conferral in Taipei

The Class "Dragon light" of seven brothers has been conferred degrees 4th to 32nd on September 28 and 29, 2012, great work of Ritual Teams. We are now 611 active members in Taipei Valley.

The closing banquet took place at the Miramar Garden Hotel.

The Almoner collection will be allocated to the victims of the recent typhoons in the area.

2013 Dues Cards.

The dues notices for the 2013 membership renewal have now been sent, for payment before year end. This may cause some burden with difficulties with bank transfer, but there are good initiatives for local collection. No doubt that satisfactory solutions will be found.

Spring Conferral patents

Now available in Taipei. Distribution is not easy due to the format, but we will make it. Should we suggest smaller format? Your opinion welcome.

Email addresses

As mentioned above, we are 611 active members, but I have only 279 email addresses. So, ask the brethren you are in touch with to send us their email address, if not done yet, for better communication

Fraternal regards
