### A word from the Venerable Master

Dear Brethren,

Time flies and another striving year has past. I wish you a healthy and happy New Year.

It is a gratification to see our brethren in both Taipei and Kuala Lumpur, despite the stressful epidemic in the past year, have completed Annual Communication and initiated many new brethren into Scottish Rite. It was truly precious and inspiring.

It has been a rough and rugged journey; Since the pandemic outbreak, we have learned to live with the inconveniences, to cherish our loved ones, and to appreciate the presence of our unbounded brotherhood.

May we join each other in the soonest future, and rejoice in our brotherly love.

Fraternally,

Peter Chang  
Venerable Master

### The year of the Tiger

### December Spring and Fall Reunions

This year again the virus Covid 29 disturbed dramatically our Scottish Rite life. The sanitary regulations have rendered travel almost impossible, and

our Spring and Fall Reunion have been continuously postponed along the year, expecting relaxation of the constraints.

The Spring Reunion in Kuala Lumpur had been cancelled, and facing no improvement of the situation, Malaysian Brothers finally took the decision of holding the "Spring Reunion" in December.

In Taiwan, we faced the same problem, and we also postponed our Fall Reunion to December.

So it happened the Orient conducted two Reunions on December 17 and 18, one in Kuala Lumpur, the other in Taipei. But unfortunately we were not able to receive our foreign brothers.

Anyway, the Orient of Taiwan and China initiated 23 Masters of the Royal Secret, 14 in Kuala Lumpur and 9 in Taipei
